## **【NOTIFICATION】** exhibiting at N-EXPO 2012 in Tokyo

RECYCLE ENERGY CO., LTD. will also exhibit at N-EXPO this year. The exhibition will be held in Tokyo Big Sight during May 22<sup>nd</sup> – 25<sup>th</sup>.

With daily progress of developing and researching on our waste-to-fuel plant, we will demonstrate our newest pilot plant. Besides another oil-converting plant exclusively for power generation will be introduced at our booth.

Welcome to visit our booth.

Location: East Bldg., Tokyo Big Sight  
Date: 10:00-17:00 on May 22<sup>nd</sup> – 25<sup>th</sup>  
(the last day closes at 16:00)  
Booth No.: F504
