Announcement of our exhibit for N-EXPO 2013 TOKYO

We hope this letter finds you and your company doing well during this beautiful spring. Recycle Energy Co., Ltd. (CFP Group) will have our booth at the N-EXPO 2013 Tokyo, which is held from May 21st (Tue.) to May 24th (Fri.) at Tokyo Big Sight.

We present our Continuous Waste Plastic Catalytic Cracking Oil Production, which we proceed the research and development day after day.

Also, we place panels showing the latest information and research result about Waste Plastic Pyrolysis Oil Production.

We appreciate many of your visiting.

We wait for coming of all of you heartily to our booth.

Yours sincerely,

Description
